Attorney Docket No. 4034-032416

REMARKS

In response to Election/Restriction requirement set forth in the Office Action, Applicants elect claims 11-14, drawn to an inverter transformer, for further prosecution on the merits.

Consistent with the foregoing Election, claims 1-12 and 14 have been amended to be directed to an inverter transformer. Applicants respectfully submit that no new matter has been added and that the originally filed specification, drawings and claims support the amendments.

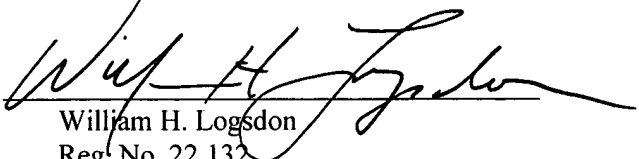

Attached is a "Revocation Of Power Of Attorney, Substitute Power Of Attorney, And Change In Correspondence Address" and accompanying "Certificate Under 37 C.F.R. § 3.73(b) Showing Chain Of Title" for the above-identified application. Please amend the records of the United States Patent and Trademark Office to reflect the new correspondence address for this application set forth in the attached Revocation.

CONCLUSION

In view of the foregoing amendments and remarks, Applicants respectfully request consideration and allowance of claims 1-14.

Respectfully submitted,
